About This Content

The Blight: GM Guide

A deluxe easy reference guide to The Blight, this book is intended for the Referee's use only. Included within are the new races, classes, skills, feats, and abilities of the The Blight Player's Handbook along with the Referee information, details of Between, and new monsters included in the Cylcopedia Infestarum section of The Blight: Richard Pett's Crooked City campaign book, all combined together into a single easily referenced resource for Referees to use without having to carry the entire campaign book with them.

It is also an excellent tool to have at the game table when running adventures out of the campaign book to prevent the need for flipping back and forth between pages of that book in order to access the rules information in the Cyclopedia Infestarum in its beginning chapters.

A valuable addition to any Blight campaign, don't get caught unprepared without The Blight Referee Guide because you've entered the wrong side of town . . .

*Conversion by:***Aaron Atkins**

Released on February 09, 2018. Designed for Fantasy Grounds version 3.2.2 and higher.
